

EVANGELIZATION and the Acts of the Apostles

Who better to look to for guidance on evangelization than the apostles and disciples of the early Church? And what better place to read their stories than in the firsthand account of the Acts of the Apostles? In the ten-part series Evangelization and the Acts of the Apostles, Dr. Mary Healy combines insightful biblical study with Church teaching and practical advice to show how today's Catholics can effectively impact their world for Jesus Christ. She explores topics such as the call of Jesus to evangelize, the power of the Sacraments, the role of charisms for building up the Body of Christ, techniques from St. Paul for reaching a secular culture, and more.
